Introducer Sheath

Designed for reliable vascular access, the introducer sheath kit enables smooth catheter insertion and stable guidewire guidance. The optimized dilator-sheath transition helps reduce insertion resistance and facilitates atraumatic vessel entry.

SMOOTH DILATOR-SHEATH TRANSITION

Ensures smooth insertion and helps reduce puncture resistance and tissue trauma.

ATRAUMATIC DILATOR TIP

Smooth tapered dilator tip helps minimize vessel trauma during insertion.

OPTIONAL HYDROPHILIC COATING

Reduces insertion friction and facilitates smoother vascular access.

MULTIPLE GUIDEWIRE OPTIONS

Compatible with 0.021" and 0.035" spring guidewires or 0.025" plastic guidewire, offering flexibility for different clinical needs.

Introducer Sheath with 0.021" Spring Guidewire

Without Hydrophilic Coating

Model No.	Sheath Size	Sheath Length	Compatible Guidewire	Guidewire Type	Needle Type	Hydrophilic Coating
ASA5007S21I	5F	7 cm	0.021"	45 cm Straight	21G Entry Needle	No
ASA5010S21I		10 cm	0.021"	45 cm Straight	21G Entry Needle	
ASA5016S21I		16 cm	0.021"	45 cm Straight	21G Entry Needle	
ASA6007S21I	6F	7 cm	0.021"	45 cm Straight	21G Entry Needle	
ASA6010S21I		10 cm	0.021"	45 cm Straight	21G Entry Needle	
ASA6016S21I		16 cm	0.021"	45 cm Straight	21G Entry Needle	

With Hydrophilic Coating

Model No.	Sheath Size	Sheath Length	Compatible Guidewire	Guidewire Type	Needle Type	Hydrophilic Coating
ASB5007S21I	5F	7 cm	0.021"	45 cm Straight	21G Entry Needle	Yes
ASB5010S21I		10 cm	0.021"	45 cm Straight	21G Entry Needle	
ASB5016S21I		16 cm	0.021"	45 cm Straight	21G Entry Needle	
ASB6007S21I	6F	7 cm	0.021"	45 cm Straight	21G Entry Needle	
ASB6010S21I		10 cm	0.021"	45 cm Straight	21G Entry Needle	
ASB6016S21I		16 cm	0.021"	45 cm Straight	21G Entry Needle	

Introducer Sheath with 0.025" Plastic Guidewire

Without Hydrophilic Coating

Model No.	Sheath Size	Sheath Length	Compatible Guidewire	Guidewire Type	Needle Type	Hydrophilic Coating
ASA5007P25I	5F	7 cm	0.025"	45 cm Straight	20G IV Catheter	No
ASA5010P25I		10 cm	0.025"	45 cm Straight	20G IV Catheter
